

AUTHORIZATION FOR RELEASE OF INFORMATION

This authorization or photocopy hereof authorizes *Investigation Company* or its representatives to fully investigate, in the manner it deems appropriate, the information contained in my application for credit. The results of *Investigation Company's* investigation will be communicated to *Seller Corporation* in connection with my application.

This document also authorizes all individuals, partnerships, corporations or other entities to release to *Investigation Company* or its authorized representatives, any and all information, records, or documents whatsoever deemed by *Investigation Company* or its representatives to be necessary to complete its investigation on my application. Said investigation and verification may concern current or past information or documents in the categories checked below:

Credit Report

All individuals or entities presented with authorization by *Investigation Company* or its representatives are expressly authorized to permit *Investigation Company* or its representatives to obtain copies of any and all documents or records they request and surrender possession of such documents to them for copying.

Dated this _____ day of _____, 20____
